

Fleetwood Transport Festival

Sunday 20th July 2008

(Tram Sunday)

Dear Sir/Madam

The organising committee cordially invite you and your vehicle to be part of **Fleetwood Transport Festival** which is widely acknowledged to be the most unique, transport themed, free family day out in the North West Of England. The **Fleetwood Transport Festival** has been firmly established in the rally calendar for 23 years, however it is more commonly known as 'Tram Sunday', and the event falls on Sunday the 20th July 2008.

The event is uniquely held in Fleetwood's Historic Town Centre, which is part of the worlds first electric street tramway. It is a tremendous fun day with attractions for people of all ages and interests, including Vintage Trams, Classic Cars, Buses, Commercials, Motorcycles and other Special Interest Vehicles of all types, sizes and descriptions.

There is also much to entertain families with a large gathering of Town Criers, Bands, Dancers, miniature and model railways, military, gymnastic displays, fairground rides and of course the scenic sea front. There are many one day only transport related trade stands along with many of the local shops, cafes and restaurants open, ensuring all the family get maximum enjoyment throughout the day.

For your peace of mind, a large dedicated team of marshals will ensure correct vehicle placement and that everyone has a thoroughly enjoyable and safe day out. An **early arrival** would be advised at the event.

To take part in this wonderful and **totally free** event, please complete the following section, **detach by cutting along the dotted line indicated** and return the slip complete with **2 stamped self addressed envelopes** - to the address below. A vehicle pass with parking details will be sent to you closer to the event.

Reply address: **Fleetwood Transport Festival Ltd,
Vehicle Co-Ordinator
17 Bentham Ave, Fleetwood, FY7 8QH
Tel: Bus/Coach: 01253 777188 other: 01253 681337**
